

**12th Mini Workshop on Singularities, Geometry
and Differential Equations and
1st Meeting on Foliations and Singularities**

From January 28th to February 2nd, 2019
Federal University of Espírito Santo - Vitória, Brazil

Third Announcement

Dear participants of

the 12th International Mini-Workshop on Singularities, Geometry and Differential Equations, and the 1st Meeting on Foliations and Singularities, to be held at Federal University of Espírito Santo, Vitoria, Espírito Santo, from January 28th to February 2nd, 2019.

The registrations of the meeting are still opened. Hence, if you intend to join us but did not register yourself, please, do that as soon as possible in the link below:

<https://mfsinges2019.wixsite.com/mfsinges2019>

It would help us to better dimension the meeting and be prepared to promote you and comfortable and pleasant stay.

We are doing our best contacting the hotels and restaurants closest to the university to negotiate the best rates for the meeting participants. Very soon we hope to send you good news about that.

We have also applied for financial supports in the Brazilian agencies in order to cover local expensive for speakers and posters presenters. However, since we have no idea on how successful our scientific proposals will be on the agencies, we strongly recommend you to try funding on your university and/or your country fellowship agencies.

We thank you in advance for your understanding, collaborations and participations.

Any queries regarding the meeting, please, do not hesitate to contact Leandro or Thiago in the email link mfsinges2019@gmail.com

We are looking forward to welcoming you in our university and city!

Leandro/Thiago

(On behalf of the organizing committee)
